Åsa Källenius resigns as Chief Finance Officer in MEKO

Åsa Källenius is leaving her position as MEKO's Chief Finance Officer at her own request to take on a new assignment outside the group. The process of recruiting a new CFO will begin immediately and Åsa Källenius will remain in her role until a successor is appointed.

"Åsa Källenius has been Chief Finance Officer in MEKO since 2017 during a period of successful geographical expansion and profitable development. Today, MEKO is the market leader in the automotive aftermarket in northern Europe with a solid financial position, a well-proven strategy and a long-term sustainable business model that stands strong regardless of economic cycles. I would like to express my warm thanks to Åsa for her important efforts during this period and wish her the best of luck when she now chooses to take on a new challenge outside of MEKO," says Pehr Oscarson, President and CEO of MEKO.

The recruitment process to appoint a new CFO will begin immediately. Until a successor is appointed, Åsa Källenius will remain in her role.
