**About Cinnober**

*Cinnober provides solutions and services to leading trading and clearing venues, including exchanges, clearinghouses, banks and brokers. Cinnober's solutions are largely based on the TRADExpress™ Platform, incorporating everything needed for mission-critical solutions in terms of performance, robustness and flexibility. The portfolio of offerings includes price discovery and matching, real-time risk management, clearing and settlement, index calculation, data distribution and surveillance.*

*Cinnober's customers include the Australian Securities Exchange, B3, Dubai Gold & Commodities Exchange, Euronext, Japan Exchange Group, Johannesburg Stock Exchange, the London Metal Exchange, LME Clear, NYSE and the Stock Exchange of Thailand.*

*Using its extensive experience in financial technology, Cinnober has broadened its reach through the establishment of highly specialized and competitive subsidiaries. Today, three such subsidiaries exist within trade reporting and transparency, post-trade and client clearing and trade surveillance and analytics.*

*Cinnober's shares are traded on the Nasdaq First North exchange and the company's Certified Advisor is FNCA. For additional information, please visit [www.cinnober.com](http://www.cinnober.com).*
