About Cinnober Financial Technology

Cinnober Financial Technology, now a part of Nasdaq, includes the subsidiaries Cinnober, Simplitium and Minium. The Group provides business-critical solutions and services for trading, clearing, risk management and other financial services. The target group for its core business is trading venues, clearinghouses, banks and brokers.

Cinnober's solutions are largely based on the TRADExpress™ Platform, incorporating everything needed for mission-critical solutions in terms of performance, robustness and flexibility. Among its clients are Asia Pacific Exchange, Australian Securities Exchange, B3, Bitstamp, Dubai Gold & Commodities Exchange, Euronext, Japan Exchange Group, Johannesburg Stock Exchange, London Metal Exchange, LME Clear, NYSE, OCC and Stock Exchange of Thailand.
