

Växjö Lakers 'GO for Gold' with second Swedish Hockey League win

26th April 2018 – Omni-channel slots specialist Play'n GO would like to extend huge congratulations to the Växjö Lakers who have won their second Swedish Hockey League title.

Play'n GO, which is one of the team's leading supporters, has followed the side from the beginning through its 'GO for Gold' campaign and had representatives supporting them in the final.

The newly-crowned champions won the first four matches of the final series against Skellefteå AIK to record an incredible aggregate 20-1 scoreline and lift their first championship since 2015.

Play'n GO is incredibly proud of the team and particularly happy for the people of Växjö, where it all began for us as an international iGaming company.

Johan Törnqvist, CEO of Play'n GO, said: "We couldn't be happier for the Växjö Lakers players who did us as well as their city's people proud by winning their second Swedish Hockey League championship.

"It's an incredibly impressive achievement and we are very lucky to have been part of the journey from the start. Like us, they had humble beginnings in this campaign but thought big and achieved their goals by going for gold."
