

## Play'n GO Roar into 2019 with Raging Rex

Journey to a time before man, when mighty dinosaurs ruled the Earth, in the exciting new Play'n GO slot, Raging Rex!

The first Play'n GO slot release of 2019 has arrived, a prehistoric adventure titled Raging Rex!

A video slot with a whopping 4,096 payways; Raging Rex takes players on a journey back through the ages, to a time when dinosaurs walked the Earth, including the king of the tyrant lizards, the mighty Tyrannosaurus Rex!

The game's high-quality graphics and realistic sounds are augmented by its captivating gameplay, including the engaging free spin mode.

The free spin mode makes use of the game's crowning feature, the Tyrannosaurus Rex. During either the game or the free spin mode players will get a chance to activate the 'Raging Rex' a stacked Wild that will land on the reels and stomp majestically across the screen.

Johan Törnqvist, CEO of Play'n GO thinks Raging Rex is a great game for the company to start of the year:

*"2019 is a big year for us, with 40 games planned for release, it's important to start off on the right foot and set the correct tone.*

*Raging Rex is an entertaining and visually stunning title that players will love, and it shows the industry the kind of high quality they can expect from us over the next year...and beyond!"*

It looks like Play'n GO are looking to start the year off in roaring fashion with this latest slot!

Founded in 2005, Play'n GO are a leading supplier for slot gaming in the casino industry. One of the first suppliers to recognise and utilise the potential of mobile slot gaming, their innovation has revolutionised the industry and led Play'n GO to the forefront of the casino supplier market. Since its inception Play'n GO have curated a portfolio of award-winning games developed and tailored for compatibility with all devices and operating systems. In addition to this, they also provide back-end services and solutions to ensure operators are equipped to provide the ultimate gaming experience; this includes their casino platform and their server-based gaming solution, OMNY.
