

## Change in number of MTG Class A and B shares and voting rights

MTG today announced that the total number of MTG Class A shares has decreased from 5,007,793 to 5,007,393 and the total number of MTG Class B shares has increased from 61,774,331 to 61,774,731 following the reclassification by shareholders of 400 MTG Class A shares into MTG Class B shares during February.

The total number of MTG Class C shares is unchanged at 865,000. The total number of issued MTG shares therefore remains 67,647,124 and the total share capital is unchanged at SEK 338,235,620. MTG holds 118,308 of the Class B shares and all of the 865,000 Class C shares in treasury, and the total number of outstanding shares therefore remains 66,663,816.

Each Class A share has ten voting rights and each Class B and Class C share carries one voting right. The total number of voting rights therefore decreased from 112,717,261 to 112,713,661 in February, and the total number of voting rights, when excluding the Class B and C shares held by MTG, decreased from 111,733,953 to 111,730,353.
