

Update to DreamHack's 2020 esports schedule for festivals and Master properties

STOCKHOLM, May 4th 2020 — Modern Times Group MTG AB's (MTG) portfolio company DreamHack has announced further changes to its 2020 festival and Master properties schedule, adjusted for impacts from the ongoing Coronavirus pandemic.

MTG's portfolio company DreamHack has decided to adjust additional events in its esports Master properties and festival schedule to ensure business continuity and continued delivery of esports entertainment in a responsible way, while taking into account current limitations and restrictions on a country per country basis to stop the novel Coronavirus pandemic.

The file attached to this announcement represent the current situation for DreamHack and ESL as of May 4th 2020 and is subject to change.

Because of the fluidity of the situation and the need to adapt accordingly, information around changes to ESL and DreamHack's Master properties schedule and festivals will be made regularly as and when required.
