

# Morton Salt Tackles Hard Water on Designing Spaces™ Airing on Lifetime TV

*Sara Shenoha from Morton Salt educates viewers about the harsh effects of hard water at home; offers solutions to help homeowners eliminate hard water*

(Pompano Beach, FL – CISION – May 9, 2013) – Three out of four households in the U.S. are affected by hard water. That's why the popular home improvement show Designing Spaces™ turned to the water softening experts at Morton Salt for an upcoming episode airing on Lifetime Television.

In this episode, Sara Shenoha of Morton Salt, will explain how to detect hard water in your home, how to soften your water, and the benefits of soft water. Tune in on Thursday, May 16th at 7:30 a.m. (ET/PT) for this special edition of "Designing Spaces – Renovations and Retrofits."

"Homeowners have a clear advantage if they soften their water because hard water is tough on just about everything at home – from your pipes, to your appliances, to your clothes and hair – even your budget," said Sara Shenoha, brand manager for Morton Salt.

Lysa Liemer, Designing Spaces™ on Lifetime Executive VP of Programming and Chief Operating Officer, says, "We are happy to have Morton Salt on Designing Spaces so our viewers can learn how to detect and tackle hard water at home."
