

Automated Pet Care Products Talks Less Scooping on Designing Spaces airing on Lifetime TV

Viewers will see how Automated Pet Care Products helps make lives of pet parents easier on March 19th Show

(Pompano Beach, FL – CISION – March 17, 2014) Automated Pet Care Products, Inc. will be featured on Designing Spaces™ airing on Lifetime Television, as part of the “Pet Spaces” programming line-up. Tune in on Wednesday, March 19, 2014 at 7:30 am (ET/PT) on Lifetime to see how Automated Pet Care Products helps make lives of pet parents easier.

During the segment, Abbey Green from Automated Pet Care Products will talk about the importance of cleaning the litter box properly, to keep cats happier and healthier. The Litter-Robot™ is an automated, self-cleaning litter box that eliminates the mess of litter box scooping, and keeps litter smell to a minimum. The Litter-Robot also gives cats a fresh pan of litter after every use, so it's more pleasant for them as well.

“Our Designing Spaces pet parents are always looking for ways to incorporate innovative products into their lifestyle that make their lives easier and their pets happier, so we're happy that Automated Pet Products has joined us to give them easy and convenient ways to accomplish that,” said Scott Moss, Director of Programming of Designing Spaces™ on Lifetime TV.

“Our goal at Automated Pet Care Products is to make the lives of pet owners easier through the use of innovative pet products like the Litter-Robot,” said Brad Baxter, President.
