

Cucina wins catering contract at Francis Combe Academy, Watford

New three-year deal to commence September 2014

Pioneering educational catering firm Cucina Restaurants has won the catering contract at Francis Combe, a Watford secondary academy with 1140 pupils on roll.

The contract, commencing September 2014, is worth around £750,000 over three years.

Cucina Restaurants MD Steve Quinn said: "Francis Combe Academy is a school which places a great deal of importance on food provision and food education. Its motto, 'transforming lives through learning', closely matches our own vision for school food. We are very excited about embarking on this new partnership."
