

Vigmed signs exclusive distribution agreement for Finland.

Vigmed announced today that they have signed an exclusive distribution agreement for Finland. This means that the Company now has full coverage in all Nordic countries. OY Vestek AB will represent Vigmed in Finland.

To add to the growing list of markets where exclusive distribution agreements are in place, Vigmed now adds Finland to their network of distributors for their patented safety products.

"We welcome Vestek to our European and Nordic network of partners, and we look forward with anticipation to the introduction of the Vigmed safety products to the Finnish market", says Vigmed Sales Director, Mike Dooley. "This is a significant step to close the loop with all the Nordic markets and Vestek is an ideal partner for our future success in Finland."

"We are very excited about this cooperation with Vigmed. Vestek has supplied health care products to hospitals in Finland since 1979. This new distributorship is a major milestone for our company and it will remarkably strengthen the business in our Health Care Division. Our professional staff has extensive experience of promoting and selling similar type of products. Vigmed's safety products are a great innovation for the health care field and we are confident they will be successful on the Finnish market, too", says Patrik Ulfves, Managing Director Vestek.
