

## **THE ONE WHISKY COCKTAILS**

We have English, Irish, Northern Irish, Scottish and Welsh whiskies, but never before has there been a British whisky.

[The ONE](#), produced exclusively by [The Lakes Distillery](#), is the first ever blend to combine whiskies from each of the countries which make up the British isles. The very best whisky from each country has been carefully blended with great care and passion to create a perfectly balanced whisky.

We describe our beautiful blend as 'complex', slightly smoky, sweet and fruity and nutty with hints of spice. There are many ways to enjoy The ONE and while we love it neat, we thought we'd share some cocktail inspiration.

### **The Strawberry Sour ONE**

#### **Ingredients**

37.5ml (1.5 measures) The ONE whisky

100 ml Strawberry puree (made from blended strawberries and a touch of sugar)

1/2 measure sugar syrup (Gomme Syrup)

2 dashes Angostura Bitters

A large scoop of cubed ice

#### **Directions**

Start with a tall mixing glass and fill half way with ice. Add the whisky followed by all other ingredients. Top up the glass with ice and shake using a cocktail shaker until condensation forms on the outside of your shaker/glass. Separate the cocktail glass from the shaker and fill a drinking glass with crushed ice. Strain the cocktail over the crushed ice – it should be a pink colour.
