Rejlers signs new framework agreement with Vattenfall

Rejlers has signed a new framework agreement with Vattenfall regarding technical consulting services. The contract period is three years and includes consulting services in all areas of Rejlers competence.

"We are pleased with the continued confidence from Vattenfall at a time with a strong focus on Sweden's energy transition. A sustainable future requires a transition to renewable energy. With Rejlers expertise in the field and the ability to contribute with new perspectives, we look forward to contributing to Vattenfall achieving the goal of enabling a fossil-free life within a generation. Vattenfall is at the centre of the changes in the Swedish energy landscape, where we will support in the work to future-proof the business," says Jonas Böös, Key Account Manager at Rejlers.

The framework agreement with Vattenfall runs from 2021 to 2024, with the possibility of a two-year extension. The agreement covers consultancy services in several of Vattenfalls business areas.
