Publication of supplementary prospectus related to Nexam Chemical's rights issue

The board of directors of Nexam Chemical Holding AB ("Nexam Chemical" or the "Company") has prepared a supplementary prospectus (the "Supplementary Prospectus") to the EU Growth Prospectus that was approved and registered by the Swedish Financial Supervisory Authority (the "SFSA") on March 12, 2020 (the "Prospectus").

The Supplementary Prospectus has been prepared since Nexam Chemical, during the subscription period of the ongoing rights issue of units (the "**Rights Issue**"), has signed a supply agreement with Diab, corresponding to a total sales value of between SEK 100 and 120 million during 2020 and 2021. Information about the supply agreement was published by Nexam Chemical through a press release on March 18, 2020. The press release is available on the Company's website, www.nexamchemical.com.

The Supplementary Prospectus has been prepared in accordance with Article 23 in Regulation (EU) 2017/1129 of the European Parliament and of the Council (the "**Prospectus Regulation**") and has today on March 23, 2020 been approved and registered by the SFSA. The Supplementary Prospectus shall be read together with the Prospectus in all respects. The Prospectus and the Supplementary Prospectus are available on the Company's website, www.nexamchemical.com and on Erik Penser Bank's website, www.penser.se, and will also be available on the SFSA's website, www.fi.se.

Investors who, prior to the publication of the Supplementary Prospectus, have notified or otherwise consented to subscribe for units in the Rights Issue are according to Article 23 in the Prospectus Regulation entitled to withdraw their notification or consent within two working days of the publication of the Supplementary Prospectus, i.e. until March 25, 2020. Withdrawal must be made in writing to Erik Penser Bank, P.O. Box 7405, SE-103 91 Stockholm or via e-mail to emission@penser.se. Investors who have notified to subscribe for units through their bank/trustee should contact their bank/trustee regarding withdrawal. Notification that is not withdrawn within the specified time will remain binding and investors who wish to remain with their subscription of units do not have to take any measures.

For full terms and other information related to the Rights Issue, please refer to the Prospectus and the Supplementary Prospectus.

About Nexam Chemical

Nexam Chemical develops technology and products that make it possible to significantly improve the production process and properties of most types of plastics in a cost-effective manner and with retained production technology. The improved properties include strength, toughness, temperature and chemical resistance as well as service life. The improvements in properties that can be achieved by using Nexam Chemical's technology make it possible to replace metals and other heavier or more expensive materials with plastics in a number of applications. In applications where plastic is already used, Nexam Chemicals products can improve the manufacturing process, reducing material use and enable more environmental friendly alternatives. Example of commercial applications: pipe manufacturing, foam production and high-performance plastics. More information about the business will be found on www.nexamchemical.com. The Company's Certified Adviser is FNCA Sweden AB. FNCA Sweden AB can be reached at info@fnca.se and 0046-(0)8-528 00 399.
