## **Nexam Chemical invites to company presentation and Q&A**

**Nexam Chemical Holding AB (publ) (“Nexam Chemical” or the “Company”) invites investors and other stakeholders to a digital company presentation followed by a Q&A session. The presentation will be held on Tuesday, 3 February 2026, starting at 14:00 CET.**

During the presentation, Nexam Chemical’s CEO, Ronnie Törnqvist, will present the Company’s current position and future strategic direction, including overall commercial initiatives and growth opportunities, with a particular focus on additives that enhance recycled plastics. The Company’s expanded international efforts will also be highlighted.

The digital company presentation followed by a Q&A will take place on Tuesday, 3 February 2026, at 14:00 CET and can be accessed via the following link: <https://youtube.com/live/gEstzgeQsjI>

If you have questions that you would like to have addressed during the presentation, you are welcome to submit them in advance by e-mail to [info@nexamchemical.com](mailto:info@nexamchemical.com).

### **About Nexam Chemical**

*Nexam Chemical develops technology and products that make it possible to significantly improve the production process and properties of most types of plastics in a cost-effective manner and with retained production technology. The improved properties include strength, toughness, temperature and chemical resistance as well as service life. The improvements in properties that can be achieved by using Nexam Chemical’s technology make it possible to replace metals and other heavier or more expensive materials with plastics in a number of applications. In applications where plastic is already used, Nexam Chemicals products can improve the manufacturing process, reducing material use and enable more environmental friendly alternatives. Example of commercial applications: pipe manufacturing, foam production and high-performance plastics. More information about the business will be found on [www.nexamchemical.com](http://www.nexamchemical.com). The company’s Certified Adviser is Bergs Securities AB. Bergs Securities AB can be reached at [info@bergssecurities.se](mailto:info@bergssecurities.se) or by phone +46-8 408 933 50.*
