## Beijer Electronics Group appoints new CEO of the Beijer Electronics business entity

Beijer Electronics Group is organized in three business entities, Beijer Electronics, Westermo and Korenix.

Stefan Lager, previously Senior VP Sales Europe and Americas in Beijer Electronics, has been appointed the CEO of the Beijer Electronics business entity. Prior to joining Beijer Electronics Stefan held senior positions within Strålfors, Flextronics and Ericsson. Stefan takes on his new position today, June 1, 2017.

—As previous holder of the above position in addition to the CEO of the overall Group, I will focus on further developing and growing the Group and remain as President & CEO of Beijer Electronics Group, says Per Samuelsson.
