

Asetek Selected by HP to Cool New OMEN X Desktop Gaming PC

August 26, 2016 - Asetek® announced today that it has been selected by HP® to cool its new OMEN X Desktop Gaming PC which marks HP's return to ultra-high end gaming systems.

"We are very pleased to work with HP to develop the OMEN X Desktop Gaming PC," said André Sloth Eriksen, Founder and CEO of Asetek. "The award is reflected in the solidified full-year expectations for the desktop segment communicated in the second quarter report."
