

## **Asetek announces previously undisclosed OEM partner and HPC installation**

Aalborg, Denmark, 20 June, 2017 – Asetek today announced the name of a previously undisclosed OEM partner and HPC installation. The installation regards the build of Taiwan's new supercomputer for the National Center for High-Performance Computing (NCHC) and is done by Asetek's OEM partner Fujitsu.

This follows an announcement of an undisclosed OEM partner and installation on [May 9, 2017](#).

More details about NCHC supercomputer and Asetek's involvement in the build will follow.

### **About Asetek**

Asetek is the global leader in liquid cooling solutions for data centers, servers and PCs. Founded in 2000, Asetek is headquartered in Denmark and has operations in California, Texas, China and Taiwan. Asetek is listed on the Oslo Stock Exchange (ASETEK).
