

## Asetek – Update to Full Year 2017 Revenue Guidance

**21 July, 2017** – Asetek communicated in its first quarter 2017 report announced 26 April 2017 that the company's expectation for full year 2017 revenue guidance within the company's desktop segment would be single digit growth over 2016.

The company today announces that due to continued positive development within Asetek's desktop segment, the company increases its full year 2017 desktop segment revenue guidance from single-digit growth to growth between 10% and 20% compared to the full year 2016.
