

ASETEK - Share Capital Increase

Reference is made to the stock exchange release issued on April 3, 2018 pertaining to a share capital increase in Asetek A/S (the "Company"). The Company has now registered a share capital increase by nominally DKK 10,423.80 to nominally DKK 2,567,224.00 (and not nominally DKK 10,863.60 and DKK 2,567,663.80, respectively as erroneously stated in the stock exchange release on April 3, 2018) with the Danish authorities. The articles of association have been updated accordingly.
