

Asetek Receives Follow-on Order From Penguin Computing

Aalborg, Denmark, 4 May 2018 – Asetek today announced a further order from Penguin Computing, an established data center OEM, for further build-out of an undisclosed U.S. Department of Energy High Performance Computing (HPC) installation.

Today's follow-on order includes Asetek's RackCDU™ Direct-to-Chip (D2C) liquid cooling solution and D2C coolers and loops for OCP-based Tundra™ Relion™ nodes using both NVIDIA®'s P100 GPU accelerators and Intel® Xeon® ES-2600 processors.

The order has a value of USD 230,000 with delivery to be completed in Q3 2018.
