

Asetek Receives Largest Data Center Order for Single Installation to Date

April 28th, 2016 – Asetek® announced today that it has received its largest single installation purchase order to date from one of its existing OEM partners. The order is for a total of 70 RackCDU™ and in excess of 8,000 node level cooling loops. The order for RackCDU with Direct-to-Chip™ cooling loops is to satisfy an undisclosed customer installation in Asia. The order will result in revenue to Asetek in the range of \$1-1.5 Million in 2016.

The OEM partner as well as the installation site will be announced at a later date.
