

## Press release

### Orexo continues to strengthen IP rights for ZUBSOLV®

**Uppsala, Sweden – March 17, 2021** – Orexo AB (publ.), (STO:ORX) (OTCQX:ORXOY) today announces that the US Patent and Trademark Office has issued another patent relating to ZUBSOLV®, US Patent No. 10,946,010, which further strengthens the company's intellectual property portfolio. ZUBSOLV® is Orexo's sublingual buprenorphine and naloxone tablet (CII) for the treatment of opioid use disorder.

The new patent expires in September 2032 and will be the seventh patent listed in the Orange Book relating to ZUBSOLV®.

**Nikolaj Sørensen, President and CEO, said:** "I am very pleased with the continued development of the patent portfolio protecting ZUBSOLV®. The strength of our patents ultimately allows us to focus on the important work of improving the quality of lives of patients with an unmet treatment need within the space of mental illness and substance use disorders. Strong patent protection is the backbone of our business and provides us with a solid foundation in our efforts to continue to develop innovative products for the benefit of patients and society."
