

## ASSA ABLOY acquires SiteOwl in the US

ASSA ABLOY has acquired SiteOwl, a leading cloud-based platform that modernizes physical security lifecycle management.

"I am very pleased to welcome SiteOwl to ASSA ABLOY, an exciting technological addition that will reinforce our current offering within physical security lifecycle management, and provide complementary growth opportunities," says Nico Delvaux, President and CEO of ASSA ABLOY.

"The SiteOwl acquisition represents an important enhancement to how we support the access control industry," says Lucas Boselli, Executive Vice President of ASSA ABLOY and Head of the Americas Division. "We're reshaping how system integrators, service providers, and end-users manage their access control infrastructure. Combining our proven specification expertise with SiteOwl's lifecycle management platform creates value for our customers and positions us at the forefront of this digital transformation."

SiteOwl was founded in 2020. The main office is located in Austin, Texas, USA.
