### Synopsis:

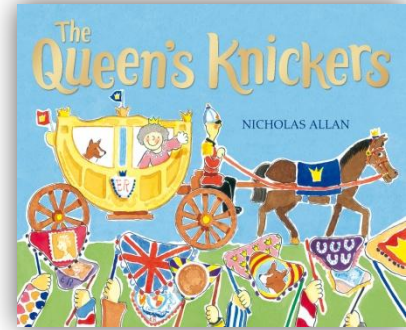

Meet the Royal Baby and of course, Nanny, who looks after the Royal Baby and the all-important Royal Nappy Cabinet! A funny, warm look at the royal nappy through history - from Henry VIII to the present day and a very special new arrival...

Find out where the royal nappies are made, the different kinds for every occasion (parachuting nappies, or shiny nappies for palace floors - whee!), and what happens when the royal nappies... run out.
