

Pressrelease 2021-03-16

Irisity has entered into the Milestone Technology Partner Program

As a technology partner, Irisity will leverage on the Milestone brand and Milestone's global market channel and also benefit from a wide range of marketing resources and activities.

Irisity and Milestone will also cooperate in integration and delivery of new innovative technology offerings.

- Milestone has really created a world-leading position around VMS integration, we look forward to this cooperation where we integrate IRIS into their global network, comments Jonas Andrén, Enterprise Sales Executive

Milestone Systems is a global leader in Video Management Systems (VMS) providing world-leading IP-based video management solutions for organizations of all shapes and sizes.
