

## Irisity's Operations in Israel Remain Unaffected Amidst Recent Terrorist Attacks.

Irisity AB (publ), a forefront AI video analytics provider, wishes to inform its stakeholders about the current state of its operations in the wake of the devastating terrorist attacks that occurred in Israel this past weekend. With its second largest office situated in Tel Aviv and a workforce of over thirty dedicated employees in the region, the safety and well-being of our team are paramount.

The company unequivocally condemns these acts of violence and extends its heartfelt condolences to the victims, their loved ones, and all who have been adversely affected by these tragic events.

We are relieved to report that, as of now, all Irisity personnel in Israel have been accounted for and are safe. Our global offices are in constant coordination, ensuring that our Israeli team receives any support they may require during these challenging times.

Despite these adversities, Irisity's operations remain robust and undeterred. Our commitment to delivering high-quality products and services continues unabated. Clients can be assured that our customer service lines are open, and all our offerings, whether cloud-based or on-premises, maintain their renowned high availability.

Irisity's emphasis will remain on safeguarding our colleagues while we persist in our dedication to serving our valued customers and partners.
