## **Prescot Soccer and Leisure Centre nears completion**

Prescot's new fitness suite officially opens on October 14, 2013.

The soccer and leisure centre on Warrington Road, Prescot is nearing completion.

The centre's new fitness suite will be open from 14 October and will be equipped with the latest Life Fitness machines, including treadmills, cross-trainers, rowing machines, bikes, and power-plates as well as a training area with kettlebells, TRX suspension trainers, battle-ropes, medicine balls and much more!

Memberships start from as little as £13.50 for peak access, with early bird offers available.

The completion of the project will be celebrated with a family open day on Saturday 12 October, running from 9am until 1pm with free soccer coaching sessions in the morning and sports activities, prize draws and children's activities throughout the day.

Since the pitches at the centre opened in July, users have been flocking to the centre and are delighted with the quality of facilities on offer. The centre offers state-of-the-art third generation (3G) pitches which have all the characteristics of playing on grass. The Knowsley Junior league has already chosen Prescot as its preferred location and over the next few weeks we will be setting up adult soccer leagues with online fixtures, results and squad management.

Pitches are available to book now with discounts available to FA affiliated teams.

With changing facilities and a fully licensed bar and cafe and free on-site parking, Prescot Soccer and Leisure Centre is the place to be.

Cllr Eddie Connor, Cabinet Member for Leisure, Community and Culture, said: "Knowsley already has some of the best leisure facilities in the region. This new centre is a fantastic addition to our leisure offer and we believe it represents great value for money for local residents and visitors alike".
