

The LDG Art House

Less than a week to go and we are building up for up for an exciting weekend in Store Street Bloomsbury.

The LDG Art House experience welcomes children and adults to the Store Street Shindig. Have fun, be creative and enter our sparkling competition to win a bottle of fine champagne.

The children will be able to colourfully draw on our house blackboard, make their own key ring and even be rewarded by having their face painted by our special artist Laura.

Adults can meanwhile enter our Bloomsbury valuation competition and celebrate by winning a bottle of champers.

The whole street will be lively, vibrant and provide a creative afternoon full of variety, music and fun.
