# Kindred Group recognised as one of UK's top 30 Best Workplaces in 2019

Kindred Group (previously Unibet Group) has been recognised as one of the UK's top 30 workplaces in the category 251-1000 employees, at Best Workplaces™ Awards. A great working environment is just one of the reasons why Kindred employees choose to go to work every day. Wellbeing, being part of a diverse workforce, and job security were all reasons why Kindred employees said that Kindred House in Wimledon is a great place to work.

"Being a 'Great Place to Work' means ensuring everyone at Kindred is supported and enabled to achieve their ambition, and feels part of a very special team", says Henrik Tjärnström, CEO at Kindred Group.

"We are proud to be recognised as a 'Great Place to Work'. We are a successful tech company based in the heart of Wimledon, and we want more great people to join our team", says Gavin Hayward, Chief HR Officer at Kindred Group

Kindred recently moved its 400-strong Wimledon workforce into a new, purpose-built home called Kindred House. Kindred are delighted to have been recognised by its employees as an organisation that promotes a healthy workplace culture through trust, sustainability, pride and camaraderie.

90 percent of employees praised Kindred's approach to flexible working, with 93 percent saying that Kindred was a friendly and fun place to work.
