Special notice to shareholders in the United States

The new Castellum shares to be issued in connection with the Offer are not being, and will not be, registered under the Securities Act or under the securities laws of any jurisdiction of the United States. The Offer is not capable of being accepted by persons who are located or resident in the United States unless they are QIBs, and any purported acceptance of the Offer by persons located or resident in the United States other than QIBs or which, at the sole discretion of Castellum, appear to be made in respect of Kungsliden shares beneficially held by persons located or resident in the United States other than QIBs will not be accepted.

The Offer described in this press release is made for the issued and outstanding shares of Kungsliden, a company incorporated under Swedish law, and is subject to Swedish disclosure and procedural requirements, which may be different from those of the United States. The Offer is made in the United States to QIBs pursuant to Section 14(e) of the U.S. Securities Exchange Act of 1934, as amended (the "U.S. Exchange Act") and Regulation 14E thereunder, to the extent applicable, subject to exemptions provided by Rule 14d-1(d) under the Exchange Act for a "Tier II" tender offer, and otherwise in compliance with the disclosure and procedural requirements of Swedish law, including with respect to withdrawal rights, the Offer timetable, notices of extensions, announcements of results, settlement procedures (including as regards to the time when payment of the consideration is rendered) and waivers of conditions, which may be different from requirements or customary practices in relation to U.S. domestic tender offers. Holders of the shares of Kungsliden domiciled in the United States that are QIBs are encouraged to consult with their own advisors regarding the Offer.

Nordea is not registered as a broker or dealer in the United States and will not be engaging in direct communications relating to the Offer with investors located within the United States (whether on a reverse-inquiry basis or otherwise).

Castellum's and Kungsliden's financial statements and all financial information included herein, or any other documents relating to the Offer, have been or will be prepared in accordance with IFRS and may not be comparable to the financial statements or financial information of companies in the United States or other companies whose financial statements are prepared in accordance with U.S. generally accepted accounting principles. The U.S. shareholders that are QIBs should note that the price for the Offer is being paid in SEK and that no adjustments will be made based on changes in exchange rates.

The Offer is being made to Kungsliden's shareholders resident in the United States that are QIBs on the same terms and conditions as those made to all other shareholders of Kungsliden to whom an offer is made. Any information documents, including the offer document, are being disseminated to U.S. shareholders that are QIBs on a basis comparable to the method pursuant to which such documents are provided to Kungsliden's other shareholders.

The Offer, which is subject to Swedish law, is being made to the U.S. shareholders in accordance with the applicable U.S. securities laws, and applicable exemptions thereunder. To the extent the Offer is subject to U.S. securities laws, those laws only apply to U.S. shareholders and thus will not give rise to claims on the part of any other person. It may be difficult for Kungsliden's shareholders to enforce their rights and any claims they may have arising under U.S. federal or state securities laws in connection with the Offer, since Kungsliden and Castellum are located in countries other than the United States, and some or all of their officers and directors may be residents of countries other than the United States. Kungsliden's shareholders may not be able to sue Kungsliden or Castellum or their respective officers or directors in a non-U.S. court for violations of U.S. securities laws. Further, it may be difficult to compel Kungsliden or Castellum and/or their respective affiliates to subject themselves to the jurisdiction or judgment of a U.S. court.

To the extent permissible under applicable law or regulations, Castellum and its affiliates or its brokers and its brokers' affiliates (acting as agents for Castellum or its affiliates, as applicable) may from time to time and during the pendency of the Offer, and other than pursuant to the Offer, directly or indirectly purchase or arrange to purchase shares of Kungsliden outside the United States, or any securities that are convertible into, exchangeable for or exercisable for such shares. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices, and information about such purchases will be disclosed by means of a press release or other means reasonably calculated to inform U.S. shareholders of such information. In addition, the financial advisors to Castellum may also engage in ordinary course trading activities in securities of Kungsliden, which may include purchases or arrangements to purchase such securities as long as such purchases or arrangements are in compliance with the applicable law. Any information about such purchases will be announced in Swedish and in a non-binding English translation available to U.S. shareholders through relevant electronic media if, and to the extent, such announcement is required under applicable Swedish or U.S. law, rules or regulations.

The receipt of cash pursuant to the Offer by a U.S. shareholder that is a QIB may be a taxable transaction for U.S. federal income tax purposes and under applicable U.S. state and local, as well as foreign and other, tax laws. Each shareholder is urged to

consult an independent professional adviser regarding the tax consequences of accepting the Offer. Neither Castellum nor any of its affiliates and their respective directors, officers, employees or agents or any other person acting on their behalf in connection with the Offer shall be responsible for any tax effects or liabilities resulting from acceptance of this Offer.

NEITHER THE U.S. SECURITIES AND EXCHANGE COMMISSION NOR ANY U.S. STATE SECURITIES COMMISSION HAS APPROVED OR DISAPPROVED THE OFFER, PASSED ANY COMMENTS UPON THE MERITS OR FAIRNESS OF THE OFFER, PASSED ANY COMMENT UPON THE ADEQUACY OR COMPLETENESS OF THIS PRESS RELEASE OR PASSED ANY COMMENT ON WHETHER THE CONTENT IN THIS PRESS RELEASE IS CORRECT OR COMPLETE. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE IN THE UNITED STATES.
