## Adelis exits its investment in Europa Biosite

**Adelis Equity Partners Fund II ("Adelis") has divested its majority stake in Europa Biosite, a specialist distributor of Life Science research reagents to EQT Healthcare Growth**

Following the acquisition by Adelis in 2021, Europa Biosite has executed on a successful international buy and build strategy acquiring 5 companies in 4 years. By doing so the Company has established a position as the leading specialist distributor in its field – offering innovative products to thousands of Life Science researchers across the continent. In parallel, significant investments have been made into digital tools and marketing that enable a differentiated supplier value proposition and fuel new supplier acquisition and organic growth.

"We are very proud of the part we have played in building a unique European business that supports life science researchers in reaching their goals – ultimately helping to understand and cure disease. On behalf of Adelis, we would like to thank management and all employees, as well as our minority partners and board colleagues for their strong efforts these past years" say Lene Stern and Rasmus Molander. Sune Schmölder, CEO of Europa Biosite says: "We are uniquely positioned to take part in the continued growth of the Life Science reagent market after the significant investments made into building the Group. I am very grateful for the support we have received from Adelis and the board of directors over these past years. I am looking forward to working with the new owners to continue the development of our business".

The parties have agreed not to disclose the purchase price. The transaction is subject to customary clearance from competition authorities.

Adelis was advised by Houlihan Lokey and White & Case on the transaction.
