Intrum launches share buybacks to secure incentive program

The Board of Directors of Intrum AB (publ) has, empowered by an authorization given by the Annual General meeting on 29 April 2021, resolved to initiate a share buyback program. The purpose of the program is to secure the obligations of the company (including social security contributions) relating to the long-term incentive program 2021.

The acquisition of shares shall take place on a regulated market or a market corresponding to a regulated market outside the European Economic Area and shall be managed by an investment firm or a credit institution which makes its trading decisions in relation to the company's shares independently of, and without influence by, the company in accordance with the EU Market Abuse Regulation (596/2014), the EU Commission's delegated Regulation (2016/1052) and the applicable rules of Nasdaq's Nordic Main Market Rulebook for Issuers of Shares. The buyback program will run between 30 April and 21 June 2021.

The buybacks will be done on the following terms:

1. The maximum number of shares that can be repurchased is 140,000. The company's holdings may not exceed 10 per cent of all the shares in the company at any time. The total share buybacks under the program may not exceed MSEK 56.
2. Acquisition of shares may be made at a price per share within the recorded interval, i.e. the interval between the highest buying price and the lowest selling price.
3. Payment shall be made in cash.

Intrum currently holds 783,654 own shares.
