ITAB Shop Concept AB (publ) changes name to ITAB Group AB (publ)

The listed parent company of the ITAB Group is changing its name to ITAB Group AB (publ) after the Swedish Companies Registration Office has now approved the company's application for a name change.

The Annual General Meeting on 6 May 2026 approved the proposal for a name change by adopting new Articles of Association, after which a formal application for a name change was submitted to the Swedish Companies Registration Office. The Swedish Companies Registration Office has today approved the company's application for a name change. The share's ticker name ITAB on Nasdaq Stockholm and the ISIN code for the listed ordinary share will not change.

"Following the acquisition of Financière HMY, which was completed in early 2025, the ITAB Group is the leading European solution provider in design, interiors, technology and lighting systems for retail stores. With the name change of the listed parent company, we now more clearly highlight that we are an international group consisting of several strong brands, such as ITAB, HMY, Checkmark, Imola Retail Solutions (IRS), Blink, and others," says Björn Borgman, President & CEO of ITAB Group.

The various companies within the ITAB Group will continue to develop under their current names and brands. More information about the Group can be found at itabgroup.com.
