Anna-Karin Stenberg new Head of Vattenfall Business Area Markets

Anna-Karin Stenberg has been appointed as new Senior Vice President and Head of Business Area Markets and member of Vattenfall's Executive Group Management (EGM) as of 1 January 2021. She has already filled this position in an acting role since end of March this year, in addition to her role as Head of Controlling for Business Area Markets.

Anna Borg, President and CEO of Vattenfall: "Anna-Karin has been acting Head of Markets during this challenging year for Vattenfall with a difficult market situation, remote working, and the need to take care of our people while keeping operations running. Together with the management team, she has shown a very strong commitment to lead the business forward and to develop a very modern organisation."

Anna-Karin Stenberg: "I am grateful for the trust that is put in me and for the support of the whole management team and all people around me that I have received during this year. 2021 will be an exciting year with lots of things to work on to fulfill our role as Vattenfall's future-proof market hub and to help our customers in their ambition to become fossil-free."

Anna-Karin Stenberg joined Vattenfall in 2018 as Head of Controlling for Business Area Markets and had already worked for the company from 2008 to 2011 as Chief Financial Officer for Business Group Nordics. She has leadership experience in the energy, engineering, telecommunications and health care sectors.
