About Hembla

Hembla is a property company focusing on residential properties in the Greater Stockholm region and other growth areas. The company's business concept is to own property portfolios slated for a gradual renovation of apartments in conjunction with the natural turnover of tenants. This can take place quickly and cost-efficiently thanks to extensive experience from the company's renovation method which, among other things, means that no evacuation needs to take place. In addition to this, the company creates value through the development of building rights in existing portfolios. The market value of the company's properties amounted to SEK 31,091 million on 31 December 2018. The total rental value amounted to SEK 1,903 million annually on 31 December 2018. The economic occupancy rate is high – vacancies are virtually non-existent. Hembla is listed on Nasdaq Stockholm.
