About D. Carnegie & Co

D. Carnegie & Co is a real estate company focusing on residential properties within the Stockholm region and other growth areas. The Company's business concept is to own and manage its real estate portfolio and to gradually refurbish apartments in connection with the natural turnover of tenants. This can take place quickly and cost-efficiently due to the Company's established refurbishment method, Bosystem which, among other things, does not require tenants to vacate the premises. The Company also creates significant value through the development of building rights in the existing portfolios. As of 30 June 2015, the market value of the company's properties amounted to SEK 11,548. As per 1 July 2015, the total rental value amounted to MSEK 1,240 annually. The economic occupancy rate is high – vacancies are virtually non-existent. D. Carnegie & Co is listed on Nasdaq Stockholm.
