Bravida strengthens its position within the electrical field in Dalarna by acquiring Elinstallatörer i Dalarna AB.

Bravida has signed an agreement to acquire Elinstalltörer i Dalarna AB, based in Långshyttan in Dalarna, Sweden. The company has 40 employees and a turnover of approximately SEK 40 million.

The company operates within electrical installations, electrical service, camera surveillance, intrusion alarms, fire alarms, accessing systems, data network, automations, engine operations, KNX-systems and electrical planning. The company has its business in Borlänge, Falun, Säter, and Långshyttan in Dalarna. The acquisition will strengthen both Bravida's electrical business and security operations in Dalarna.

– We are now creating a strong foundation in Dalarna for both service and installations within the electrical fields. Security is a strategical business area for Bravida and this acquisition strengthens our already existing operations, says Mikael Lidström, Division Manager, Bravida division North.

Elinstallatörer i Dalarna AB was founded 1986.

– I look forward to becoming a part of Bravida and I feel confident knowing that we will continue to develop and grow together with the rest of Bravida. I believe that we will need to hire at least five new electricians within the near future, says Conny Gossas, CEO of Elinstallatörerna i Dalarna AB.

Bravida will assume ownership as per 31 december 2015.
