PRESS RELEASE

Wihlborgs lets 7,700 m² to Saint Gobain

Wihlborgs has signed a ten-year lease with the building material supplier Saint Gobain in Denmark

The lease is for 7,700 m² of warehouse and office space at Abildager 16 in Brøndby. The property previously housed printing works for Flint Group, but was transformed in 2017 from a warehouse and production premises to a hub for the transportation company M. Larsen A/S. Abildager 16 is home to modern premises suited for offices and production as well as staff rooms, conference rooms and restaurants.

“We are pleased to welcome Saint Gobain as one of Wihlborgs’ tenants. With its well-connected location, Abildager 16 is perfectly situated for this kind of major operation that relies on favourable transport links. We are looking forward to a long-term collaboration with Saint Gobain,” says Ulrika Hallengren, CEO of Wihlborgs.
