

Free cocktails, giveaways and the best massage in town at the Cannes Yachting Festival

Press Release: 19/08/2014

For immediate release

At Yachting Pages we always try and mix in a little bit of fun at our stand during boat show season. We all work so hard and we need little excuse to pull out the party atmosphere.

This year at Cannes Yachting Festival we have really done ourselves proud and have a plethora of giveaways and reasons to relax and enjoy yourself while you network with our team, industry professionals and crew at our stand (Palais 036) in the Palais Des Festivals (previously Espace Riviera).

As usual we have a fabulous local wine for you to try throughout the show, this year supplied by Châteaux Malherbe. We also have a number of exclusive cocktails to try on Friday, Saturday and Sunday orchestrated by professional mixologists, Bar Technics. Pop by at any time to have a drink and a chat but happy hour starts at 5pm each evening!

Whilst enjoying a cocktail or two you can also have a free massage from Bertrand Poncet Massage. No need to strip off, just come to our stand and enjoy the experience.

On top of all this the lovely people at GMC (Global Marine Communications) who provide VSAT to superyachts around the world have given us an iPad mini to give away. Simply come to our stand to enter our competition. We will announce the winner on the last day of the show!
