Coor is a leading provider of facility management services in the Nordic countries, focusing on integrated and complex service undertakings (IFM). Coor offers specialist expertise in workplace services (soft FM), property services (hard FM) and strategic advisory services for development of customers' service activities. Coor creates value by executing, leading, developing and streamlining its customers' service activities, ensuring that they provide optimal support to the core business over time. Coor's customer base includes many large and small companies and public-sector organisations across the Nordic region, including ABB, AB Volvo, Aibel, Det Norske Veritas, E.ON, Ericsson, Equinor, EY, NCC, Politiet (Danish police), Saab, Sandvik, SAS, Telia Company, the Swedish Transport Administration, Vasakronan and Volvo Cars.

Established in 1998, Coor has been listed on the Nasdaq Stockholm exchange since June 2015. Coor takes responsibility for the operations it conducts, in relation to its customers, employees and shareholders, as well as for its wider impact on society and the environment. Read more at www.coor.com
