## **Coor renews IFM agreement with Tieto in the Nordics**

**Coor has renewed its agreement with Tieto for the delivery of a large number of Integrated Facility Management (IFM) services in some 30 locations around Sweden, Norway and Denmark. The transaction, which is in the range of earlier agreements, spans a period of two years with the option of extending it further.**

The new agreement means Coor assuming total responsibility for coordinating, providing and developing a large range of FM services, including reception, conference services, fire safety & surveillance, mail & freight, switchboard, caretaker services, coffee & catering, cleaning, waste management, and ISO quality management.

“Tieto is a leading Nordic market operator and a perfect fit with Coor, the Nordic market leader in IFM. Our joint focus on innovative service solutions is what drives our partnership,” commented Mikael Stöhr, President and CEO of Coor.

**Coor** is a leading provider of facility management services in the Nordics, focusing on integrated and complex service undertakings (IFM). Coor offers specialist expertise in workplace services, property services and strategic advisory services for development of customers' service activities. Coor creates value by executing, leading, developing and streamlining its customers' service activities, ensuring that they provide optimal support to the core business over time. This includes property, cleaning, restaurants, security, and mail and reception services. Coor's customer base includes many large and small companies and public-sector organisations across the Nordic region, including ABB, AB Volvo, Aibel, Det Norske Veritas, E.ON, Ericsson, EY, NCC, Politiet (Danish Police), Saab, Sandvik, SAS, Equinor, Telia Company, Swedish Transport Administration, Vasakronan and Volvo Cars.

Coor was founded in 1998 and is listed on Nasdaq Stockholm since 2015. Coor takes responsibility for the operations it conducts, in relation to its customers, employees and shareholders, as well as for its wider impact on society and the environment.
