## **Coor extends IFM agreement with Aker Solutions**

**Coor has delivered integrated facility management services to Aker Solutions since 2015, and the agreement is now being extended to 2025. The agreement is expected to generate sales of some SEK 130 M annually.**

Aker Solutions is a global provider of products, systems and services to the oil and gas industry. The extended IFM agreement encompasses cleaning, property services, office services, staff restaurants, security and reception services to ten of Aker Solutions' offices and production facilities in Norway.

“We are delighted that Aker Solutions have renewed their confidence in us. We look forward to developing the collaboration over the coming years. The extended agreement also strengthens our market leadership in IFM, both in Norway and the Nordics as a whole,” commented Mikael Stöhr, President and CEO of Coor.
