Coor signs agreement with Norwegian property company Entra

Following an extensive tender process, Entra has selected Coor in Norway as its service provider for cleaning, catering and reception services at around 40 properties in Oslo, Bergen and Sandvika.

The contract runs for three years, with an option to extend, and has an annual value of approximately SEK 275 million. Work is due to commence in Q2 2027, and this is one of the year's largest IFM contracts in Norway.

The collaboration is based on a partnership model with shared objectives for customer experience, quality and sustainability. Coor will be responsible for developing the services in collaboration with Entra and tailoring them to the tenants in each property.

"We are proud of the trust Entra has placed in us and look forward to working closely together to create attractive and sustainable working environments. This partnership also reinforces our strong position both in Norway and across the Nordic region", comments Ola Klingenborg, president and CEO of Coor.
