Coor Service Management (Coor) is a leading provider of facility management services in the Nordics, focusing on integrated and complex service undertakings (IFM). Coor offers specialist expertise in workplace services (soft FM), property services (hard FM) and strategic advisory services for development of customers' service activities. Coor creates value by executing, leading, developing and streamlining its customers' service activities, ensuring that they provide optimal support to the core business over time. Coor's customer base includes many large and small companies and public-sector organisations across the Nordic region, including AB Volvo, Aibel, Det Norske Veritas, E.ON, Ericsson, EY, ICA, NCC, Politiet (Danish Police), Saab, Sandvik, SAS, Skanska, Statoil, TeliaSonera, Swedish Transport Administration, Vasakronan and Volvo Cars.

Coor was founded in 1998 and is listed on Nasdaq Stockholm since 2015. At 31 December 2015, the company had 6,400 employees (FTE) based mainly in Sweden, Denmark, Norway and Finland, and annual sales of SEK 7,500 million (rolling twelve-month basis). Coor takes responsibility for the operations it conducts, in relation to its customers, employees and shareholders, as well as for its wider impact on society and the environment.
