

## Press release from Atlas Copco AB

# Compressed air distributor in Florida has become part of Atlas Copco Group

**Nacka, Sweden, January 7, 2026: The assets of Air Compressor Works Inc. ("Air Compressor Works") has become part of Atlas Copco Group.**

Air Compressor Works is located in Florida, US, and provides air compressor equipment and service. The company's customers mainly operate within general industry in the south of Florida.

The company was founded in 1979 and has 50 employees who join Atlas Copco Group as part of the acquisition.

*"This acquisition will allow us to grow the Quincy Compressor brand and will contribute to a stronger presence in South Florida"*, said Philippe Ernens, Business Area President Compressor Technique.

The purchase price is not disclosed. During 2024 the company had revenues of approximately 16 MUSD (169 MSEK\*).

The acquired assets have become part of the service division within the Compressor Technique Business Area.
