

Press release from Atlas Copco AB

Compressor distributor in Recife Brazil has become part of Atlas Copco Group

Nacka, Sweden, January 7, 2026: It has previously been communicated that Centro do Ar Comprimido do Recife Ltda ("Centroar"), a compressor distributor in Brazil, would become part of Atlas Copco Group. The acquisition has now been finalized.

Centroar is located in Recife, Pernambuco and provides sales and services of compressor and power equipment. The company has customers within general industry, mining, paper, construction and infrastructure.

The company has 28 employees who join Atlas Copco Group as a part of the acquisition.

Centroar has become part of the service division within the Compressor Technique Business Area.
