

Press release from Atlas Copco AB

## Compressor distributor in northern Portugal has become part of Atlas Copco Group

**Nacka, Sweden, July 2, 2026: LusoAr, a Portuguese compressor distributor, has become part of Atlas Copco Group.**

LusoAr is located in Porto, Portugal. The business provides air compressors, air treatment, compressed air installations and service for large- and mid-size industries in the area. As a part of the acquisition 9 employees will join Atlas Copco Group.

*"We are happy to welcome LusoAr to the Group and note that this further expands our presence in Portugal to the benefit of our customers,"* said Philippe Ernens, Business Area President Compressor Technique.

The purchase price is not disclosed. The company becomes part of the service division within the Compressor Technique Business Area.
