Press release from Atlas Copco AB

US based fluid handling distributor has been divested

Nacka, Sweden, November 18, 2026: C.H. Spencer LLC ("C.H. Spencer") has been divested and no longer constitutes a part of Atlas Copco Group.

Following a strategic review by the service division within the Power Technique business area C.H. Spencer, located in Salt Lake City, USA, has been divested. C.H. Spencer is a distributor of fluid handling equipment, providing both equipment sales and aftermarket parts.

"*We thank C.H. Spencer and employees for the hard work and contribution to the Group and wish them all the best on their continued journey,*" said Andrew Walker, President Power Technique business area.

The company has approximately 30 employees. C.H. Spencer became a part of the Atlas Copco Group in 2017.
