

OrganoWood signs general agreement with Bolist

OrganoClick's subsidiary OrganoWood manufactures and markets, eco-labelled, durable, modified wood and wood protection products. OrganoWood has now entered into a general agreement with Bolist, one of Sweden's largest building supply chains with more than 200 associated building suppliers. The general agreement covers resell of OrganoWood's products through Bolist's associated building suppliers.

"Through the agreement with Bolist, we strengthen our position even more on the Swedish building market. Through Bolist, we have the possibility to reach an even greater geographical distribution than before as Bolist is represented all over the country, also in smaller towns", says Jens Hamlin, Managing Director OrganoWood.
